- ❖ **Sis. Donna Glick** asked what is the .2% Additional Compensation Fund?
- ❖ **Sis. Dolan** explained that the Additional Compensation Fund, is a small monetary increase from previous rounds of Economic Agreement that was set aside from each of the bargaining units. Individual titles decide how to invest that small percentage. All Local 372 have an Annuity account, money at present has been contributed to the account. Once a member retires, leaves, they get the accumulated balance.
- ❖ **Sis. Donna Santana** queried if every title has an Annuity and if 372 members can benefit from the ERI or a buyout to advert the layoffs.
- ❖ **Sis. Moira** explained that the annuity is for all PT/ FT titles in Local 372. PT get a pro-rated amount. The Local is supporting the idea of ERI, it must go to the NYS Legislature. The membership was encouraged to contact the legislators, to encourage them to support the buyout. The information is posted on the DC-37 website.

- ❖ **Sis. Allison Boston** questioned why is only the 0.2% is added to the Additional Compensation Fund.
- ❖ **Sis. Dolan** explained that because most of the money was put into the across-the-board wage increase.

Also, questioned why if a S.C.G's working 5 hrs. and getting paid for 4 hrs. during a vacation day. Requested clarification regarding summer unemployment.
